1 2:13 o'clock a.m. March 18, 2005 2 3 CHAIRPERSON BLACKBURN: Good 4 afternoon. We're in public session of the 5 Indiana Civil Rights Commission. You have 6 before you an agenda that -- I think a revised 7 agenda. Are there any agenda requests? 8 JUDGE SCOTT: None for this. 9 CHAIRPERSON BLACKBURN: Hearing 10 none, you have the January and February minutes 1.1. to approve. May I have a motion to approve 12 those. 13 COMM. KROPF: So moved. 14 CHAIRPERSON BLACKBURN: And a 15 second? 16 COMM. CARTER: Second. 17 CHAIRPERSON BLACKBURN: All in 18 favor? 19 COMM. KROPF: Aye. 20 COMM. BAYNARD: Aye. 21 COMM. GARCIA: Aye. 22 COMM. CARTER: Aye. 23 COMM. GIBSON: Aye.

Thank you

1 CHAIRPERSON BLACKBURN: 2 very much. 3 There being no new business, we will move to Committee Reports, starting with 4 5 Personnel. 6 Director Scott. 7 JUDGE SCOTT: Yes. In the 8 personnel reports, there are just three 9 vacancies that are still existing at the 10 Commission's offices, and we are reviewing 11 those positions and will begin to fill those 12 positions, but have not acted on those 13 positions immediately, principally to allow the 14 new Director to become more familiar with the 15 agency. 16 CHAIRPERSON BLACKBURN: 17 Thank you very much. 18 Financial Report. 19 MS. ESSEX: You should have the 20 Financial Report in your packet, and I will 21 answer any questions that you have. The only

thing that I would like to point out is

April 1st we'll start our final quarter of this

22

1 fiscal year, so we will just note that. 2 CHAIRPERSON BLACKBURN: All right. 3 Thank you very much. 4 There are two consent -- well, no. Wе 5 have -- yes, two consent agreements, Meier, 6 Ruiz versus Parkland, Inc., doing business as 7 Village Green Mobile Home Park and Ralph 8 Pardieck, and I have also listed Meier versus 9 Parkland, Inc., doing business as Village Green 10 Mobile Park -- Mobile Home Park and Ralph 11 Pardieck. Am I saying that correctly? It's 12 Pardi--1.3 MR. LANGE: Right, it's Pardieck. 14 CHAIRPERSON BLACKBURN: -- e c k. 15 May I have a motion to accept those 16 agreements? 17 COMM. CARTER: So moved. 18 COMM. BAYNARD: Second. 19 CHAIRPERSON BLACKBURN: Anyone 2.0 opposed? 21 (No response.) 22 CHAIRPERSON BLACKBURN: Thank you. 23 And we have for vote and signature

2	Mid-West Pagan Council and Cadwell, Gee and
3	Williams versus Fraternal Order of
4	MR. LANGE: Cadwell was on there,
5	but that was the case that was to be heard
6	earlier today that was continued
7	CHAIRPERSON BLACKBURN: Right.
8	MR. LANGE: so it really should
9	be I'm sorry; I missed that earlier.
10	CHAIRPERSON BLACKBURN: Absolutely
11	right. That's the thick one.
12	MR. LANGE: Yes.
13	CHAIRPERSON BLACKBURN: Okay. No,
14	the case of Cadwell, Gee and Williams versus
15	Fraternal Order of Eagles, and we do have
16	findings in that case. Have they been read and
17	presented?
18	MR. LANGE: That should be off.
19	JUDGE SCOTT: And that right.
20	That has been reset for oral arguments on
21	April 22nd.
22	CHAIRPERSON BLACKBURN: April 22nd;
23	okay. I have them just to the 1st.
L	

1	JUDGE SCOTT: So, the only one that
2	should be before you is the Chesnutt.

10	opposed?
11	(No response.)
12	CHAIRPERSON BLACKBURN: There were

14	CHAIRPERSON BLACKBURN: Yes.
15	JUDGE SCOTT: Was it a Director's
16	finding of no probable cause, or a
17	Commissioner?
18	COMM. GARCIA: Director's finding.
19	JUDGE SCOTT: Okay.
20	CHAIRPERSON BLACKBURN: And that

22	COMM. GARCIA: Yes.
23	CHAIRPERSON BLACKBURN: Okay.

DOBBINS: No, the reason why 11 they weren't on the agenda for today is because 1.2 they have been pulled, but they were sent to 13 you to read --14 CHAIRPERSON BLACKBURN: To review 15 and --16 MS. DOBBINS: -- and review, but 17 they were pulled today because we didn't have 18 the proper signatures, so just disregard them. 19 CHAIRPERSON BLACKBURN: 20 MS.         from the agenda.
 8
                    COMM. KROPF: Okay. So, they'll be

monthly production report. If you have questions on that, I will take them. I would point out just that we took in 69 cases and we disposed of, through either finding or conciliation, 57 cases last month. We are slightly down for this year, the first two months of this year, but that shouldn't cause us too much problem. We were up last month.

I just thought I would highlight one area of the statistical report, just to kind of remind all of us, and myself included, what kind of cases we typically get in a month, and the -- for the month of February, the majority or the most cases we had filed were race cases, followed by sex discrimination cases, followed by disability cases, followed by national origin cases, and that is the majority every month of the cases that we get. Those four areas are the majority. As a subset of the sex is the sex discrimination case -- or sex harassment cases.

If there aren't any questions on the monthly statistics, I would like to point out

that the ADR unit successfully resolved five cases through conciliation last month and were able to give monetary benefits to complainants in excess of \$20,000, and for the year, the Alternative Dispute Resolution Unit has resolved -- or received monetary compensation of over \$75,000 for complainants who have filed charges at the Commission.

CHAIRPERSON BLACKBURN: How much did you say?

MR. JEFFERSON: Seventy-five thousand dollars for the year, and that's two months, January and February. And when Steve puts these figure together, he includes returns -- he puts a monetary figure and returns to job for one year, so sometimes that will impact that number, but we count it because it's a real benefit. And his report is included in your package of materials.

Lastly, I see on the agenda, "Legislation/Legislature," and I had spoken briefly about bills last month, and I'll continue that update. We had talked about

House Bill 1188, which was a moratorium bill on boards and commissions. I pulled the most recent printing of it, and it has -- in fact, the language has been changed to make it a bill that re-establishes the Government Efficiency Commission, with a charge to take evidence and information on efficiency of commissions and boards and report out by October, I believe, 2005 to the Governor how commissions and boards can operate more efficiently and with less cost.

So -- and that has not been -- it has not been signed into law yet, but I think this is one of those bills that was -- they're trying to resurrect after the sort of slowdown in the House, so that's -- when that does become law, that's what -- it will look like it looks now.

I also talked a little bit about Senate Joint Resolution 7, which is the proposed amendment to the State Constitution that defines marriage in Indiana as a union between one man and one woman. That bill, or that

resolution, was passed out of the Senate. It is now in the House. And my understanding -- and I pulled up an action list on it yesterday or the day before -- it has come out of the Judiciary Commission, and I believe it is now going to the floor of the House for a House vote.

And my understanding of the joint resolutions is once the House approves it, if they do approve it, then it will have to be passed in the same process again next year, two sessions in a row, if I'm not mistaken, Chris.

election, and it won't be next session; it'll be the 2007 session, because by -- the process by which we adopt Constitutional amendments in Indiana, there has to be two separate General Assemblies that review the legislation, so there has to be an election in between. There won't be an election in November of '05 for either the Senate or the House, so it will be reconsidered by the 2007 legislature.

MR. JEFFERSON: So, it's a two-year

```
1
        policy.
 2
                    MR. LANGE: Does it then --
                    COMM. GIBSON: Then it will have to
 3
 4
        go to the --
                    MR. LANGE: Then do the voters vote
 5
 6
        on it?
 7
                    COMM. GIBSON: Then it -- it's my
 8
        understanding -- I'm not as confident about
 9
        this, but it's my understanding the next
10
        statewide ballot will be 2008, because I
        believe -- there's one year of the four-year
11
        cycle that doesn't have a statewide, and I
12
13
        believe it's 2007, so 2008 will be the -- would
14
        be the first time that it could be on a ballot
15
        for referendum.
16
                    MR. JEFFERSON: Thank you.
17
                    CHAIRPERSON BLACKBURN: Okay.
18
                    MR. JEFFERSON: That's --
19
                    CHAIRPERSON BLACKBURN: Is that
20
        called a ratification process, the public has
21
        to ratify --
22
                    COMM. GIBSON: Correct.
23
                    CHAIRPERSON BLACKBURN: -- the
```

```
resolution?
 1
 2
                    COMM. GIBSON: Correct.
 3
                    CHAIRPERSON BLACKBURN: And that
 4
        could not occur until '08?
 5
                    COMM. GIBSON: That's my
 6
        understanding.
 7
                    MS. DOBBINS: Generally.
 8
                    COMM. GIBSON: I haven't been
        tracking that legislation, but that's --
 9
10
                    CHAIRPERSON BLACKBURN: Yes.
                                                   This
11
        question is probably ill placed, but who
12
        knows -- if the public rejects instead of
13
        supports the legislation as it's drafted,
14
        assuming it were also accepted by the next set
15
        of legislators, what then happens?
16
                    COMM. KROPF:
                                   If the public rejects
17
        it?
18
                    CHAIRPERSON BLACKBURN: If the
19
        public says, "You guys may think you represent
20
        us, but our attitude is otherwise" --
21
                    JUDGE SCOTT: It would not --
22
                    CHAIRPERSON BLACKBURN: -- and they
23
        reject it --
```

```
1
                     JUDGE SCOTT: It would not become
 2
        law.
 3
                     CHAIRPERSON BLACKBURN: -- then
 4
        what happens?
 5
                     JUDGE SCOTT: It would not become
 6
        law.
 7
                     CHAIRPERSON BLACKBURN: It would
 8
        not become law?
 9
                    COMM. GIBSON: It would not be
10
        incorporated into the Indiana Constitution.
11
                    MR. JEFFERSON: Right.
12
                    COMM. GIBSON: But I'm not sure --
13
        I'm not sure as to whether another attempt
14
        would have to go through the exact same process
15
        or if they could put it on the ballot again.
16
        I'm not --
17
                    MR. LANGE: If I remember
18
        correctly, that's --
19
                    COMM. GIBSON:
                                   I just don't --
20
                    MR. LANGE: -- the process that
21
        happened with the ERA. It went through several
22
        attempts to get it through the legislature, and
23
        I think --
```

1	CHAIRPERSON BLACKBURN: And did
2	they have to start all over at the beginning
3	MR. LANGE: Yeah, I don't think it
4	ever got through the legislature.
5	CHAIRPERSON BLACKBURN: to be
6	proposed all over again?
7	MR. LANGE: I think it has to be
8	when it passes the legislature, it has to be
9	two consecutive
10	CHAIRPERSON BLACKBURN: Right.
11	MR. LANGE: terms.
12	COMM. GIBSON: Correct.
13 .	CHAIRPERSON BLACKBURN: We've got
14	that part.
15	MR. LANGE: But it won't do to do
16	it in '04 and fail in'06 and try again in '08.
17	That's not two consecutive. It has to be two
18	in a row.
19	COMM. GIBSON: Yeah, but the
20	question is
21	CHAIRPERSON BLACKBURN: That wasn't
22	the question. The question is: At the end of
23	the process, after the public has voted, if the

```
public does not substantiate or validate or --
 1
 2
                    MR. LANGE: Right.
 3
                    JUDGE SCOTT: It does not become
 4
        law.
 5
                    CHAIRPERSON BLACKBURN: -- ratify,
 6
        then do they have to start all over again?
 7
                    COMM. GIBSON: Yeah.
 8
        question --
 9
                    CHAIRPERSON BLACKBURN: It has to
10
        be proposed anew and start through the process
11
        all over again?
12
                    JUDGE SCOTT: That's my
13
        understanding, but I --
14
                    COMM. GIBSON: Would it go to the
15
        ballot again in 2009 for a second try at that?
16
        I don't know. Or does it have to be ratified
17
        by two consecutive General Assemblies again? I
18
        don't know the answer to that. I have a
19
        feeling if this gets to the ballot, though,
20
        it's a question we won't have to answer.
21
                    MR. LANGE: I think you're right.
22
                    COMM. GIBSON: I mean the polling
23
        unfortunately is overwhelmingly in support,
```

1 so --2 MS. DOBBINS: To amend the 3 Constitution --4 COMM. GIBSON: Depending -- it is a 5 potential -- it could be a potential question 6 that would have to be answered if civil unions 7 are also barred, which the current SJR 7, I 8 believe, bars civil unions as well, so -- but 9 in all likelihood, it would, I think, pass on a 10 ballot, unfortunately. 11 CHAIRPERSON BLACKBURN: So, it will 12 be one of the things that we can talk about 13 more at our retreat. 14 COMM. GIBSON: That would be an 15 appropriate --16 CHAIRPERSON BLACKBURN: Certainly 17 it falls under the category of future 18 challenges or questions. 19 JUDGE SCOTT: Yes, I think it 20 really does. 21 COMM. GIBSON: Including sexual 22 orientation and nondiscrimination. 23 CHAIRPERSON BLACKBURN: Exactly.

1 JUDGE SCOTT: And that's what I 2 understood the Chair to be saying. 3 CHAIRPERSON BLACKBURN: And age. 4 JUDGE SCOTT: Especially as we get 5 older. 6 CHAIRPERSON BLACKBURN: I'm sorry 7 about that. Okay. 8 Yes, you have a question? 9 COMM. KROPF: Were you also 10 following the adoption? 11 MR. JEFFERSON: Actually I hadn't 12 followed it, but -- I had looked at it once, 13 but I hadn't seen what the status of that is. 14 That was a Senate bill, wasn't it? 15 COMM. KROPF: Yes, yes, it was. 16 MR. JEFFERSON: Actually I can pull 17 that and get the status on it for next time, or 18 just give you an update. 19 COMM. KROPF: Okay. Thanks. 20 CHAIRPERSON BLACKBURN: Okay. 21 Thank you very much. 22 Anything in administration on the 23 grants and programs, Ms. Essex?

MS. ESSEX: I have just a few things. Just to give you an update on the grants. With regard to EEOC case processing contract, we have received and signed the EEOC case processing contract for Federal Fiscal Year October 1, 2004 through September 30th, 2006. Our contract is to process 506 cases at \$500 each.

Right now we are at the end of their first quarter, so we are in the process of making our first drawdown. As the contract stipulates that that first drawdown, we can draw half of the cases down whether we have done half the cases or not, and that's what we are doing.

As far as the mediation, that proposal has been submitted and we are still waiting to hear if our proposal has been accepted and we have gotten another mediation contract for this year.

With regard to the PHAP contract, HUD has received the 2002-2003 final report. We're waiting on an official response from them.

They've had a little bit of trouble finding it, so we sent them another copy.

And the 2003-2004 final report will be sent to HUD once all of the invoices have been paid. We want to make sure that we get one out of the way and then let's work on another one and not have two or three in the mix over there, for their ease and for ours as well.

The 2004-2005 reporting documentation will be mailed to the partners, which are Indiana Coalition on Housing and Homeless Issues and the Indiana Institute on Disability and Community, next week.

With regard to the FHIP contract, or grant, I should say, that will compose -- that grant is a literature distribution program, which we're already on -- hitting the ground running with. Judy Kochanczyk in our office has made several trips a week down to the mail room to mail out packets and boxes, and that is getting off to a fine start.

The media campaign will start in April, and since April is Fair Housing Month, we'll

have a big push in April, and then we will have another big push in September, and the Home Grant, the submitted closeout documentation for that has being sent and the grant is officially closed.

Other things that are happening,

May 5th in the Statehouse Rotunda we will have
the annual Holocaust observance. This year's
program will focus on the children of the
survivors. We do not have speakers as of yet,
but by next time we should, and I can share
that information, and hopefully the program,
with you.

And we are going to be assisting in the planning of a summit with the Commission on Hispanic and Latino Affairs, and that summit is upcoming, and as we have more information, I'll pass that along to you as we have it.

CHAIRPERSON BLACKBURN: Okay.

JUDGE SCOTT: And I'll just add that we're pretty excited about partnering with the Commission on Hispanic and Latino Affairs.

I think it's going to be a good opportunity,

and they specifically actually asked us to

participate in light of the success that we've had in the past with the programs that we have sponsored.

And I've already had a couple of meetings with the executive director and the chair and some of the members of the Commission, individually, separate meetings, and I think that's going to be a good event for us.

CHAIRPERSON BLACKBURN: Okay. Very good. Thank you.

Are there any announcements?

COMM. CARTER: Yes, Madam Chair.

On April 14th, I will be at the Terre Haute

Human Rights Day, an all-day thing. They're

going to have speeches, and then they have

breakout sessions and things, and I will be

representing the Commission in the area of

disability. The theme is children, human

rights and children, and they assigned me the

theme human rights and children of disability,

which are essentially the same rights as

1 everyone else, either with or without 2 disability, but that's what I'll be addressing. 3 CHAIRPERSON BLACKBURN: Excellent. 4 JUDGE SCOTT: I would like to 5 mention also, I will be joining --6 COMM. CARTER: Oh, good. 7 JUDGE SCOTT: -- Commissioner 8 Carter, and have been asked to give opening 9 remarks at that event, and also would like to 10 mention that, if you remember, the last 11 Commission meeting I had to leave a little bit 12 early, and that was because I was traveling to 13 Annapolis because I was invited to be the 14 keystone [sic] speaker at the Naval Academy 15 observance of African-American History Month. 16 And it was a wonderful event, and it 17 was something I enjoyed immensely, and it's 18 quite a remarkable group of young men and women 19 who we have at our Naval Academy, and I'm sure 2.0 it applies for the other academies as well. 21 CHAIRPERSON BLACKBURN: Excellent. 22 Any other announcements? 23 (No response.)

1	CHAIRPERSON BLACKBURN: Hearing
2	none, I'll entertain a motion to adjourn.
3	COMM. CARTER: So moved.
4	CHAIRPERSON BLACKBURN: Thank you
5	very much.
